

# 2010 ALTERNATE REGISTRATION FORM

**ALTERNATE REGISTRATIONS CLOSE 19 APRIL 2010. Alternate Registration forms will not be accepted after this date. Alternate Registration forms must be typed – not handwritten, printed and signed before returning to HQ. Forms can be submitted by email, post or fax.**

## The Applicant will:

- The applicant is responsible for making the initial request to the relevant Playing Association.
- Once approved, the applicant is then responsible for making application to the relevant Alternative Association.

## The Primary & Secondary Associations will:

- Should either Playing or Alternate Associations choose not to accept the application, they must immediately advise Hockey Queensland in writing, stating clearly their grounds for non-acceptance. The applicant must also be advised of this action by the non-consenting Association, so that the applicant and/or consenting Association has the opportunity to also submit advice to Hockey Queensland.
- Official person signing must indicate position held in Association.

## Hockey Queensland will:

- Upon receipt of such advice, Hockey Queensland will make a determination and advise the relevant parties (hard copy approvals by request) of a successful nomination by way of the Hockey Queensland website [www.hockeyqld.com.au](http://www.hockeyqld.com.au). Unsuccessful nominations will be replied to individually.
