JUNIOR EQUIPMENT OFFICER

Mrs. J. Tidey

PRESIDENT'S ADDENDUM

Ladies,

1979 was a year of mixed blessings - no rain, so we had dry fields but that meant no loss of fixtures; at Interstate, good hockey & good results; our Building Fund is growing, plans are drawn, & costing is proceeding, our submission to Council & State Government will be done in due course.

Costs this year in field rental to Q.W.A.S.C., and field markings have doubled and until we receive our lease from the B.C.C. we will not know our full costs for the next few years, therefore fee increase will be kept to a minimum.

I take this opportunity to thank all office bearers for their co-operation during 1979, also clubs for honouring their obligations with umpiring during semi-finals and finals, especially St. Andrews, Valley and Taxation, who bore the brunt.

To all incoming office bearers, may you enjoy your 1980 season, and to players enjoy your off-season and come back fighting fit for 1980.

Nan Mauchlan
PRESIDENT.

SECRETARY'S REPORT

Ladies,

At the conclusion of my report last year I asked that all members pull together to make 1979 as successful a season as 1978 had been. In this the 47th year of our Association I can only say this was certainly carried out. The season was, if possible, more successful than the last with exciting hockey; excellent results from representative teams; witnessing of the Interstate Championship in Brisbane; selection of two Brisbane players in the Australian team which acquitted itself so well in Canada, and finally the winning of the Sportswoman of the Year by Miss. Pam Glossop. What Association could ask for more! The only aspect which marred the season was the lack of rain resulting in poor field surfaces, but we did not have that on our own.

Since our last Annual Meeting, incoming Office Bearers were treated to a Christmas outing which was enjoyed by all who attended.

February saw the commencement of training for most clubs and the first Executive meeting was held on 6th February at which the format for the season was laid down. It was decided to utilise to the full the time available to us on Downey Park so it was set down that scheduled fixtures (three full rounds) would not cease for Senior or Under 19 Interstate championships, except in the case of these championships or International games, being held in Brisbane. Fixtures commenced on 7th April and concluded with Grand finals on 8th September. Four Sunday fixtures were played with only 2 Saturdays out for the senior Interstate and the State Championships in Gympie. During that time 8 delegate and 10 Executive meetings were held. The Junior section also held regular monthly meetings and a full report by the Junior Secretary follows later in this report.

It was our intention to run a losers round to give all players a full season of hockey. Unfortunately, the seniors found that time beat us with players who work on a Saturday morning finding it impossible to commence games earlier than normal - remembering that extra time has to be allowed in semi-finals and finals and it was felt that staggering of the games would result in quite an amount of confusion. The juniors were not worried by this factor so were able to carry out a losers round.

Opening Day saw clubs running stalls, which not only helped their finances but gave the day a festive atmosphere.

During the season a number of representative teams were selected by both Junior and Senior Selection Committees. All personnel of these teams were assisted financially in some way, as were the players selected to represent the State in seniors and under 19 teams and Australian team.

Wide Bay Carnival - Maryborough - May

Senior, Under 19 and Under 16 teams participated in this carnival and as usual a very enjoyable week-end was had by all. The senior team defeated Bundaberg, drew with Maryborough and were defeated 3-1 by the Queensland team which participated in the carnival. The Under 19 team were undefeated drawing with Maryborough and defeating Bundaberg & Gympie. The Under 16's fate was not so bright and they sustained 2 defeats but were successful in beating Hervey Bay.

Interstate - Brisbane - May

Association members were delighted to be able to witness a week of Interstate hockey played at Finsbury Park. Clubs hosted State teams and members assisted the Q.W.H.A. in many spheres. Our congratulations to Q.W.H.A. on a well run championship and also to the Brisbane players who participated. Congratulations must also be extended to Pam Glossop and Julene Sunderland who were selected to represent Australia.

Under 14 Carnival - Maryborough - May

The Under 14 team acquitted itself very well with 4 wins and 5 losses. We might point out that on the first day the girls played 1 game and on days 2, 3 and 4 played 3 games per day - a tall order for any age group!!

State Championships - Gympie - June

As usual all players and officials thoroughly enjoyed the State Championships. The first team brought home the bacon - well half anyway - as they drew the championship with Townsville. They defeated Cairns, Rockhampton, Brisbane 11; drew Bundaberg & Townsville. The seconds were in no way disgraced by defeating Maryborough and Gold Coast; drew with Bundaberg and lost only to the winners Townsville and Brisbane 1. Congratulations to players who were selected in the Under 19 State team, and the Senior 1980 squad.

Secondary Schoolgirls Carnival - Cairns - August

By the reports given on the carnival it was a very happy experience for all. B.W.H.A. can be very proud of these girls both on and off the field. The first team had four wins over Mackay, Rockhampton, Gold Coast and Cairns and three losses to Maryborough, Townsville and Ipswich. The second team defeated Gold Coast, drew with the Sunshine Coast, Gladstone and Cairns and lost only to Gympie. Well done girls. Congratulations to June Struck for being selected in the best 17 and to Dagmar Carstens for acquiring her State C badge during the carnival.

Primary Schoolgirls Carnival - Mt. Isa - August

Mrs. Tidey, the Manageress, reported that the girls had a fantastic carnival and thoroughly enjoy themselves. The team defeated Toowoomba, Rockhampton, Atherton & Maryborough, drew with Gladstone and lost to Cairns and Gympie. They were 3rd in A pool and 6th out of 15 teams. Congratulations to Ann Nalatu for being selected in the best 13.

Under 19 State Championships - Perth - August

Congratulations Kathy Proctor (Ascot), Lorraine Wharton (Saints) and Jan Halliday (Commercial) on a very successful carnival.

UMPIRING

Umpires Convener/Steward Miss. Heather Scraggs has once again worked very hard during the season on the umpiring side. Heather's comprehensive report contained herein gives the full story of the season. Thank you Heather for your great effort and our congratulations on being selected as the Australian Umpire who accompanied the Australian team to Canada.

CANTEEN Many thanks to City United for running the canteen for us during the season and filling many empty tummies.

SOCIAL Our hard working Social Secretary Mrs. Joan Clough has tendered her full report further along. Our great thanks Joan for a job very well done. I might add here that Joan went to a lot of trouble getting support for the printing of our fixture book this season.

FINANCE Mrs. Pheme McDougall once again looked after the finances of the association and if you look at her report you will see just how much work is entailed. Many thanks Pheme for your hours of dedicated work and interest.

GAMES SECRETARY Mrs. Elaine Green - many thanks for the hours and hours which go into this time consuming job and so very precisely carried out. Our many thanks Elaine. When one considers that we had 72 teams playing in 9 grades for three rounds plus semi finals and grand finals it is realised just how much paper work had to be done to keep full records of these fixtures. Well done Elaine.

Tours Miss. Margaret Hay took on the job of Tours Secretary this year and we must thank Margaret for all her time and effort which she put into a rather difficult job of arranging accommodation for our teams. Many thanks Margaret.

Time Steward Many thanks again to Miss. Annette Eve for looking after the timing of the fixtures and sitting in the office all afternoon. Annette, I might point out, is not a hockey player but still finds the time to assist us greatly in this way.

Equipment & Uniforms Miss. Shirley Otto once again this season looked after this aspect of things for the Association. Many thanks to Shirley for the time put in here.

Grounds Grounds have been a big problem this season - main reason being lack of rain. The committee has had a big job trying to keep the fields in any sort of playing condition. No. 1 field was rested during the season but with no rain nothing much was achieved with it. It is hoped to do major work on 1 and 2 during the off-season if the area is not used. Much thanks must go to Mrs. McDougall and her husband, Jim, who spent so much time looking after the fields during the season.

Publicity Much thanks to Mrs. Ruby Robinson for her continued work in keeping hockey in the news. Results were published each week and quite a number of action photos found their way into the Sunday paper. Mrs. Robinson's mid-week column also was of much interest to hockey players and supporters.

Auditing Many thanks to Mr. Jack Manders who so kindly audited our books this year.

First Aid Mrs. Elaine Green must be thanked for all her time and assistance at Downey Park each Saturday and also for the number of times she travelled away with teams to attend to all sorts of injuries. Many thanks Elaine.

Junior Section Many thanks must go to the hard working Junior Office Bearers and Committees. A lot of hard work was put into this section again this season and these ladies must be very proud of their efforts.

Committees To all the hard working ladies on the Executive, Grounds, Fixtures, Grading & Selection and Finance Committees, we say a big 'thank you' for the many hours of time and work put into making the association function so that so many hockey players can arrive at Downey Park each Saturday and play hockey fixtures without ever wondering just how it all happens.

Appointments We wish to congratulate the following people on their various appointments -

Mrs. R. Robinson - President Q.W.H.A., A.A.W.H.A., Q.W.A.S.C.
Mrs. T. Josiffe - Treasurer A.A.W.H.A.
Mrs. K. Viertel - Secretary Q.W.H.A., Delegate A.A.W.H.A.
Mrs. K. Langan - Treasurer Q.W.H.A., Secretary A.C.C.
Miss. H. Scraggs - A.A. Testing Panel
Mrs. E. Grealy - Secretary Q.W.A.S.C.
Mrs. J. McDougall - Treasurer Q.W.A.S.C.

Congratulations also to Mrs. N. Slade on receiving her Life Membership of Q.W.H.A.

Donations On behalf of the President and members of the Association I wish to thank those kind people who have donated to the Association funds during the year. These donations were greatly appreciated.

Engagements, Weddings and Births All clubs have had their share of one or other of the above happy events, and our best wishes for the future go forth to those who fall into one or other of the categories.

Condolence Our deep sympathies to those members who suffered the sadness of a bereavement during the past year. We would like to pay tribute at this time, to the late Mr. V. Crunkhorn who for so many years acted as our Hon. Auditor. Our deep sympathy to his wife, Faye, and family.

Acknowledgements

To: Our Patroness, Mrs. F. Sleeman for her continued support.
Our Vice-Presidents Mrs. O. Perry & Mrs. N. Slade for their continuing interest and support
Our President, Miss. N. Mauchlan for her never ending vitality and hard work
All the gentlemen who assisted in erecting and dismantling our nets and for much other heavy work requiring their strength and 'know how'
Brisbane City Council
Q.W.A.S.C.

I could never hope to list all those people who have assisted us during the year, but to each and every one of you I say a sincere 'thank you.'

In conclusion I would like to thank Nan Mauchlan, Pheme McDougall, Executive Members, Office bearers, Committee Members and club members who have helped to make my load lighter during 1978 which has been a rather hectic year all told. I would like to wish the incoming Office Bearers a very successful and productive 1979. This wish is extended to each and every member of the association knowing that we are all working to the one end, which is the promotion of the game and the extension of the wonderful fellowship which exists between hockey players.

Faye Wastell
HON. SECRETARY.

JUNIOR SECRETARY'S REPORT

Ladies,

The 1979 Hockey season has been my first year as Junior Secretary. This season the Juniors had 36 teams competing in six divisions. I hope the enthusiasm of all those associated with the Juniors will continue for many years.

There have been eight general meetings and these have been well attended by all clubs. It has been customary, after these meetings, for a delegate from a club to provide a light supper. This has provided an excellent opportunity for delegates and committee members to get to know one another on a social level. With one more meeting to go, it is proposed that a calendar of events will be drawn up for the start of the 1980 season.

MARYBOROUGH U/14 GIRLS CARNIVAL: 8TH - 11TH MAY, 1979.

This carnival was very successful, but the general feeling is that three games per day is too much. It is hoped that, in future, the Host Centre will extend the carnival an extra day.

THE BRISBANE JUNIOR GIRLS CARNIVAL: 10TH JUNE, 1979.

Brisbane extended an invitation to 39 teams to participate in this carnival. Due to lack of courtesy by Gympie two teams failed to arrive. This resulted in some teams playing 3 consecutive games on different fields. Apart from this, the carnival added good competition and went off quite well. Pennants were presented to winning teams.

SUNSHINE COAST CARNIVAL: 1ST JULY, 1979.

Owing to lack of nominations this carnival had to be cancelled.

GOLD COAST MINI CARNIVAL: 15TH JULY, 1979.

Two Secondary teams and one Primary team participated on this day. The hospitality shown by the Gold Coast Association far outweighed the inclement weather. The general feeling being that a great time is always assured when attending a carnival at the Gold Coast.

THE SECONDARY SCHOOLGIRLS CHAMPIONSHIPS: 12th - 15th AUGUST, 1979.

This year the Championships were held in Cairns. Brisbane sent two representative teams and all girls were excellent ambassadors for Brisbane. One suggestion by the Manageress was that it was such a pity that the girls travelled so far, and yet, were unable to do any sightseeing. June Struck was named in the best 17 of the Carnival.

THE PRIMARY SCHOOLGIRLS CHAMPIONSHIPS: 20TH - 24TH AUGUST, 1979.

The Championships this year were held in Mt. Isa. Owing to the expense involved the Brisbane team was billeted. The Manageress was very impressed with the hospitality shown to the girls, and reported that the girls were a credit to their parents and to Brisbane, both on and off the field. Ann Nalatu was named in the best 13 of the Carnival.

Congratulations to the teams who were successful in taking out Premierships, to the Runners-up, 1980 is another year. Premiership badges with a bar denoting the year were presented to the winners. A pennant and miniature hockey stick were to be presented to the Runners-up. As the hockey sticks did not arrive, only the pennants were presented. As soon as the hockey sticks arrive, the respective teams will receive them.

The representative players from the 1979 teams could form the nucleus of the 1980 squad, from which the representative teams could be selected. It is hoped that the training squad will commence early in the season.

The Junior section is growing in strength and it is only fitting that the Junior girls are encouraged to umpire. This can be obtained if the individual clubs are willing to encourage and help the girls to learn how to umpire. All good umpires had to start somewhere, and it is only fitting that the Juniors start the 1980 season off with an all out effort to encourage our young players to umpire.

Fund raising for the year was quite successful and the sale of T-shirts was very popular. The Junior dinner, held at the home of Mr. and Mrs. S. Clough was part of our fund raising. A very pleasant evening was spent by all who attended. Many thanks to Mr. & Mrs. Clough for opening their home and making all who attended the dinner feel so welcome.

The climax of our year will be a night out at the Brentleigh Theatre Restaurant.

In conclusion, I would like to thank all members of the Junior Executive for their assistance given to me, thus making my position as Secretary a more enjoyable one.

VONNIE FAULKNER.
JUNIOR SECRETARY.

EQUIPMENT LIST

- | | | |
|----------|-------------------------|--------------------------------------|
| 2 Sets | Grey Blouses | 1 Loud Hailer |
| 2 Sets | Cherry Skirts | 24 12 Metal chairs (2 WOODEN CHAIRS) |

| | Quantity bunting | quantity crockery |
| 26 | nets | First Aid equipment |
| | quantity flag poles | |
| 1 | Manual typewriter | |
| 1 | Gestetner copier | |

SOCIAL SECRETARY'S REPORT

The social side of the season involved raffles, a dinner, sale of T shirts. The results were rewarding, however, the response to the dinner was disappointing. The Australian Championships provided a good opportunity for the sale of T. shirts.

Thanks go to the clubs for their assistance in helping to support the raffles.

I would like to thank the Executive for their assistance and support during the season.

Joan Clough
SOCIAL SECRETARY.

GAMES SECRETARY'S REPORT

This was the second year of a 3 year trial period with eight teams to a grade. Sunday games were again scheduled but the popularity of these could possibly be questioned and may have to be examined again for next year.

Elaine Green
Games Secretary.

PREMERSHIP POINTS AT END OF FINAL ROUND

Elaine Green
GAMES SECRETARY.

UMPIRES' CONVENER'S REPORT

Our first Umpires' Board Meeting was held in March, before the season began and it was decided, because of heavy commitments to organising the National Tournament in May, that no full testing would be attempted until this was completed. Meantime, a programme for beginner umpires was planned, this consisting of two morning seminars. The first, held in late April, was purely theoretical and was well attended by the selected aspiring umpires. This same group was then invited to take part in a practical session, conducted with the co-operation of players from Commercial, Easts and Bulimba clubs who sent teams to play in short practise games for one full Sunday morning. Special thanks to the three clubs for making themselves available for this seminar, and to Mrs. Langan for her help in conducting it. I hope that similar ventures for higher badged umpires may be attempted in future seasons.

The pre-examination rules discussion was very well attended, and sixty-two candidates sat for the Umpires' Theory Exam in June. The results are listed below. The second half of the season was spent in testing and coaching umpires for the higher badges in fixture games and all members of the Board are to be thanked for their time and effort spent in performing this duty. Many umpires showed great potential, but I must again stress that badges are not awarded merely for performing your duty. An umpire must be prepared to work diligently at improving her own standard, and as with playing, should take every opportunity to gain experience in officiating whenever possible. Candidates successful in practical tests are named later in this report.

I would like to thank Nan Mauchlan for offering to take over my duties for the last six weeks of the season, a very busy period indeed, when I was in Canada officiating at the World Hockey Tournament. Her gesture was greatly appreciated. I would also like to thank all members of the Umpiring Board for the help and co-operation given to me this season, and the players and umpires who so willingly accepted their umpiring responsibilities.

In conclusion I would like to express my disappointment and concern with the general lack of interest and enthusiasm in all spheres of umpiring this year. This began with the absence of any nomination for the position of Umpiring Steward, which resulted in the Umpires' Convener being obliged to carry out the duties of both positions, and continued through to lack of attendance at Umpires' meetings. I hope this attitude is only a temporary one, and that enthusiasm and interest will re-kindle again with the resumption of hockey in 1980, for believe me, we do have great potential here in Brisbane. It is becoming increasingly difficult to umpire hockey with the modern attitudes which are developing towards the game, but it provides a tremendous challenge to all of us, and more and more is it evident that our standard of play is reflected in, and closely linked to, our standard of umpiring. Please let us have dedication in both in 1980.

Heather Scraggs
UMPIRES' CONVENER.
