Ladies,

I have much pleasure in submitting to you the twenty-fifth Annual Report of the Association covering the 1957-58 season. The past season has been a very busy one, and I would like to thank my fellow Office Bearers and the various club officials for their willing co-operation at all times.

MEMBERSHIP:

The season was officially open on 12th April by the Lady Mayoress, Mrs. T.R.Groom, following a spectacular march past of the 40 affiliated teams. A very successful fete was held to mark the opening, but this was unfortunately marred by rain. The sports programme was not completed due to the rain.

The affiliated teams were as follows:-

<u>5 Teams</u>	<u>3 Teams</u>	<u>2 Teams</u>	<u>1 Team</u>
Teachers College	Metropolitans	St. Andrews	Buranda State
	Taxation	KB.	School
	Valleys	Rebels	Commercials
	B.S.H.S.	Peninsula	Greenslopes
	S.C.H.S.	University	
	Neptunes	Eastern Suburbs	
		Ascot State School	

This year there was an increase of one in team strength, but club strength remained the same. Belvederes withdrew from the Association, but we were pleased to welcome Greenslopes to our ranks.

Junior players still predominate in the majority of clubs, and many of these girls are now making representative teams. The problem is to keep these girls interested in hockey once they have left school. It is to these young players that Queensland will look in the future.

PREMIERSHIPS:

Semi-finals and finals were played in A, A Reserve and B Grades, while in C1, C2 and Junior Grade the premiership was decided on points. Our congratulations go to the following premiership winners:-

- A Grade - Taxation
- A Reserve - Valley II
- B Grade - Neptunes
- C1 Grade - Peninsula II
- C2 Grade - T.C. V
- Junior Grade - Ascot I

The complete points table is included at the end of this report.

I would like to congratulate June Osborne on the excellent job she has done as Records Secretary. Her job has not been an easy one, as fixture cards are not always correctly filled in, teams have withdrawn in the middle of the season, and in Junior Grade the fixtures had to be re-drawn twice to bring in a new team, but her records have always been up to date.

MEETINGS:

Seven Delegate and 7 Executive Meetings have been held during the year, but once again it is the same few clubs which take a keen interest in the activities of the Association. It would appear that some club delegates either do not pay attention at meetings, or that they are not passing the information on to their clubs. As the dates of the meetings are known in advance there is really no excuse for a club not being represented at a meeting.

Attendance at the Delegate Meetings as follows:-

Taxation 7	Teachers College 6
Valley 7	Peninsula 5
University 7	Greenslopes 5
Metropolitans 7	Commercials 3
St. Andrews 7	Eastern Suburbs 3
KB 7	S.C.H.S. 3
Neptunes 6	Rebels 3

This season has seen many improvements carried out at Marchant Park by the Brisbane City Council. Provision has now been made for sixteen fields by altering the layout of some of the existing fields. All fields have been resurveyed. At the beginning of the season all fields were given dressing of fertiliser and we are also very grateful to the Council for marking all our fields for us. Other improvements include the provision of a new parking area for cars and the construction of a shade over the notice board. Our thanks go to Mr. Oakman of the Parks Dept., and to the Brisbane City Council for this work.

INTERCITY GAMES:

This season has been a very busy one for the selectors as there have been representative games against Maryborough and Bundaberg, and an Intercity competition has been introduced for teams from Warwick, Toowoomba, Ipswich and Brisbane.

Teams from Bundaberg and Maryborough visited Brisbane for the May weekend, and a carnival was held at Victoria Park in conjunction with B.H.A. These games were a great success and it is to be hoped that they become an annual event. Results were as follows:-

Brisbane 1	V	Bundaberg	-	3 all draw
Brisbane II	V	Maryborough	-	1-3
Brisbane 1	V	Maryborough	-	2-0
Brisbane II	V	Bundaberg	-	0-6

In the Intercity competition Brisbane A and A Reserve Teams were undefeated. This year our teams travelled to Warwick and then on to Toowoomba, playing both matches the same day. The game against Ipswich was played in Brisbane.

Results were:-

<u>A Grade</u>			<u>A Reserve</u>						
Brisbane	v	Warwick	-	9-0	Brisbane	v	Warwick	-	11-0
Brisbane	v	Toowoomba	-	7-2	Brisbane	v	Toowoomba	-	8-0
Brisbane	v	Ipswich	-	7-0	Brisbane	v	Ipswich	-	4-0

State Championships:

Bundaberg was the venue for the first State Championships. The organisation of the tournament was excellent, and the Bundaberg Association is fortunate in having such good fields. Our congratulations to the Bundaberg Teams in winning both sections of the Championships. Brisbane 1 shared 3rd place with Tweed with 6 points, followed by Brisbane II with 5 points.

Schoolgirl Tournament:

Two teams with Mrs. McDougall, Mrs. Forrest, Mrs. Black and Mrs. Perry in charge travelled to Toowoomba for the Schoolgirls' Tournament. The tournament was a great success with Bundaberg the winners, Brisbane 1 coming 4th and Brisbane II 7th. Some of the Brisbane players assisted with the umpiring and it is good to see these younger players taking an interest in this side of the game. The members of these teams are also to be congratulated on the way in which they raised money to cover their expenses for board, lunches etc.

### SCHOOLGIRL HOCKEY:

This year a mid-week competition was introduced for State Secondary Schools, and it proved a great success. Our congratulations to Mrs. Black for the excellent job she has done for school hockey. Our thanks also go to Mrs. McDougall and Miss Weir at Buranda, Mrs. Robinson at State High, Mrs. Gray at Ascot for coaching at these schools, and to Mrs. Ferry who has coached the Eastern Suburbs Junior Grade Team.

### COACHING AND TRAINING:

Mrs. J. Robinson was appointed coach of the Brisbane Teams, and we would like to thank her for her interest and help throughout the season, which has been a very busy one with so many Intercity matches. This year most clubs have taken advantage of the training facilities at Downey Park, the lights being used by members of this Association three nights a week. Members of all clubs attended P.T. on Thursday nights, and our thanks to Miss J. Moriarty of Taxation for taking this P.T. This was made compulsory for all members of Brisbane Teams and it proved a great success.

### WOMEN'S AMATEUR SPORTS APPEAL COMMITTEE:

This Association is represented on the Women's Amateur Sports Appeal Committee, and members of this Association have been very active in helping to raise money. This committee was instrumental in having the floodlights installed at Downey Park.

Early in April a Drive-in-Collection Day was organised. Girls from this Association were stationed at Mt. Gravatt tram terminus throughout the day to collect contributions from motorists. The day was a great success and I would like to thank all clubs for their splendid co-operation.

The next money raising effort was a performance by the After Dinner Opera Group of the Opera "The Medium". In addition to selling tickets this Association was responsible for running a cake stall on the night of the performance.

### PRESENTATIONS:

At the Annual Meeting in April Misses N. & L. Mauchlan were presented with a picnic basket in recognition of their Life Membership.

A raffle was organised to raise money for a presentation to members of the State Team and each girl received approximately £10 from the Association towards her expenses. Pocket fruit knives were presented to Miss King, Mrs. Josiffe and Mrs. Robinson who travelled with the team.

### SOCIAL:

Our thanks go to Alison Barton for the good job she has done as Social Secretary. This season has been a very busy one and a short report on the social activities is included at the end of this report. Unfortunately Alison had to leave unexpectedly for New Zealand shortly before the end of the season.

### PUBLICITY:

We again thank Mrs. Robinson of the "Courier Mail" and "Sunday Mail" and Miss N. Coles "Truth & Sportsman" for their efforts on our behalf. Articles on Women's Hockey have been written by Mrs. Robinson for the "Hockey Circle". This is a very interesting publication which contains many instructive articles on tactics, umpiring etc. and it is a pity that more girls do not read it.

### EQUIPMENT:

Our equipment officers, the Misses Mauchlan have had a very busy time issuing or collecting tunics nearly every Saturday. We thank them for doing such a good job.

### DONATIONS:

We would like to thank all those people who have given donations to the Association during the year. These are very much appreciated.

ACKNOWLEDGEMENTS:

To our Patroness, Mrs. E.T.Dobbin for her interest throughout the year.  
To our President, Miss M. King for the time she has given, and for her help at all times.  
To our Vice-Presidents for their support and interest.  
To Mrs. Grealy for her assistance and help during the season, and for organising the Semi-Finals and Finals.  
The Brisbane City Council Parks Dept. particularly Mr. H. Oakman for the improvements made to our fields, and the Transport Dept. for their co-operation.  
St. John Ambulance for treating our injured players each Saturday.  
National Fitness Council for the use of meeting rooms and typing facilities.  
B.H.A. for their co-operation on many occasions.  
Mrs. Jesser and the groundsmen for supervising and looking after our fields.  
Mr. V.R.Crunkhorn for auditing our books.

CONGRATULATIONS:

We extend our congratulations to all members who have become engaged, married or parents since last year.

CONDOLENCES:

Our sincere sympathy to those who have suffered bereavements during the year.

COMMENT:

The season just ended has certainly been a very busy one, and I would like to thank all who have assisted me in any way during the year, and particularly Club Secretaries for their co-operation at all times.

The fete held to open the season was such a success that another one will be held to open the new season, and with everyone's co-operation this one could be an even greater success.

The coming season will be an even busier one, as this year Queensland will be celebrating it's Centenary, and this Association will be expected to take an active part in the celebrations.

In conclusion I wish everybody a very happy and successful season in 1959.

HON. SECRETARY

SOCIAL REPORT

This Season Social activities have included the Annual Meeting, the fete and sports afternoon on opening day, a combined dance with B.H.A. at Riverside Ballroom, and the entertainment of visiting teams.

On opening day this year a fete and sports afternoon was held. The season was officially opened by the Lady Mayoress, Mrs. T.R.Groom, after a march past of teams. Official guests including Ald. M.S.Duus and Mrs. Duus, Mrs. E.T.Dobbin, Dr. D. Hill and Miss M. King were entertained at afternoon tea. The fete was a great success financially in spite of heavy rain which marred the afternoon. The sports programme resulted in a win for Buranda State School with Taxation runners-up.

Teams from Bundaberg and Maryborough were entertained at a Barbecue organised by the B.H.A. The evening was a great success and everyone enjoyed themselves.

In July a combined dance was held in conjunction with the B.H.A. to entertain visiting Interstate Colts Teams. This was a success financially and was well supported by the girls, but unfortunately there was a shortage of men.

Teams from Ipswich and the Ipswich Postal Institute Club have played games in Brisbane during the season. Afternoon tea was provided for these teams after their matches.

Our Annual Party was held at the C.D.A. Rooms in September, and was very well attended. Some Clubs provided very good items and the evening concluded with presentations to the officials, followed by supper provided by the Clubs.

UMPIRES REPORT

Ladies,

I have much pleasure in presenting herewith my report for the 1958 Season. As this was my first year as Umpire's Convenor we naturally got off with a slow start as it took quite a while to gather in the data. I therefore wish to thank all members of the Board for the wonderful help given to me through the season.

The Umpire's meeting was very well attended and gave one much encouragement to carry on. Also the Umpire's Examination was attended beyond expectation, although results showed that some sat only because of the Association ruling and not because they had learnt the rules. Nevertheless, on the whole the results were very promising and I think that next year they will be even better.

The State A Badge was gained by J. Teys (Mets.). As Brisbane awards State B and State C Badges and other grades we are pleased to make the following awards:--

Wishing all players and umpires success in the new season.

M.L. Irvine

CONVENOR, UMPIRE'S BOARD

PRESIDENT'S ADDENDUM

Ladies,

After perusing our Secretary's very complete report there seems little for me to add. Contrary to expectations the season proved a very busy one.

We can say with pride our Twenty-fifth year ~~as~~ an Association was highlighted by the inclusion in the Internation team of Janet Teys and Noela Welch. We are honoured in that both are local girls and I wish them every success on their tour.

It was interesting to note that there were 7 Delegate and 7 Executive Meetings, held through the season, and 14 Clubs with representation thereon. On the other hand discouraging to know that four of these Clubs attended three meetings only. This is a deplorable state of affairs when one considers there are at least eleven players in a club. Surely two delegates could be found with sufficient interest in their club to help by attending meetings. Too often our Secretary is blamed if the doings etc. of the Association are not relayed to these clubs, but they have only themselves to blame and should do something about it instead of criticising. This is one subject I feel strongly about and would suggest the 1959 season commence with a definite ruling about defaulting clubs. Interest and co-operation from all players is necessary to keep the game alive and should we gain these essential qualities, then we need have no fears for the future of hockey in Brisbane.

The introduction of Intercity matches proved a real success, and I feel these matches will do much to improve relations between City and Country. The selectors are to be congratulated on their sterling work throughout the season, as always theirs is an unenviable task.

The outstanding success of the Schoolgirl's Carnival speaks for itself and Mrs. Black and her team of strong helpers deserve all the credit and encouragement possible.

I say thank you all for a job well done. May I offer my sincere thanks to our Secretary for her excellent work and keen interest always; to our Treasurer who has worked hard and kept a very orderly set of books; to the Records Secretary, Umpires Convenor and to all those whom I may have omitted I say thank you very warmly for your splendid support throughout the season. Theirs is the kind of co-operation that warms the heart and it is good to know there are still people who are willing to help in the face of criticism and numerous set backs to keep alive the wonderful game that grows.

I wish one and all a very happy and successful 1959 Season.

Myra King
