

2021 - BWA Shoot-out Competition Rules

In the event of a draw in a BWA Senior Final, a Shoot-Out Competition will be played, as outlined below. In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

The following sets out both the playing rules and the procedures to be followed:

1. Respective team managers or captains nominate five players to take and one player to defend the shoot-outs from those players who have been listed on the Match Sheet. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions/replacements are permitted during the shoot-out competition.
2. A player who has received a Red Card during the match, cannot take part in the shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.
3. Goal to be used:
 - For Turf Fixtures - The Umpires will determine the goal to be used.
 - For Grass Fixtures - The senior BWA technical official will determine the goal to be used.
4. Timing of the individual shoot-outs will be done by a Reserve Umpire or Technical Official organised by BWA. They will position themselves to the side and behind the person taking the shoot-out with their back to the action. They will start a stop watch or countdown timer when the umpire blows to start the shoot-out and then will blow a whistle loudly when 8 seconds has passed to signal the end of the shoot-out.
5. Recording the results: will be done on the form provided and will be completed by the Technical Judges (Turf) or the senior BWA Technical Officer (Grass).
6. A coin is tossed; the team that wins the toss has the choice to take or defend the first shoot-out.
7. All players who were on the match sheet for the Final, other than any player who has been excluded permanently (red card) during the match are permitted to enter the field of play, with one of their coach or their manager, outside the 23m area used for the shoot-out and closer to the centre line. The players nominated to take part in the Shoot-out Competition stand with one of the coach or manager, over the 23m line (centre field) and between the sideline and the plane of where the circle intersects with the back-line.
8. The goalkeeper/defending player of the team taking a shoot-out shall be on the back-line outside of where the circle intersects the back-line.
9. A player taking or defending a shoot-out may enter the 23m area for that purpose.
10. If a player taking a shoot-out is also defending the shoot-outs taken by opponents, she is allowed reasonable time to take off her protective equipment to take her shoot-out and subsequently to put her protective equipment on again.
11. Five players from each team take a shoot-out alternately against the goalkeeper/defending player of the other team, making a total of 10 shoot-outs.

12. Taking a shoot-out:
 - (a) The goalkeeper/defending player starts on or behind the goal-line between the goal posts;
 - (b) The ball is placed on the nearest 23m line opposite the centre of the goal;
 - (c) An attacker stands outside the 23m area near the ball;
 - (d) The umpire blows the whistle to signal the start of the shoot-out; the attacker and the goalkeeper/defending player may then move in any direction;
 - (e) The shoot-out is completed when:
 - (i) 8 seconds has elapsed since the starting signal;
 - (ii) A goal is scored;
 - (iii) The attacker commits an offence;
 - (iv) The goalkeeper/defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper/defending player;
 - (v) The goalkeeper/defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;
 - (vi) The ball goes out of play over the back-line or side-line; this includes the goalkeeper/defending player intentionally playing the ball over the back-line.
13. If a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player on the match sheet. (That is unless suspended; as in Rule 15, or by a red card during the match Rule 2).
14. The team scoring the most goals is the winner and the competition ceases once an outright winner is determined. A player may be suspended by a yellow or red card but not by a green card during the shoot-out competition.
15. If during a shoot-out competition (including during any penalty stroke which is awarded) a player (either an attacker or a goalkeeper/defending player) is suspended by a yellow or red card;
 - (a) That player takes no further part in that shoot-out competition and, unless a goalkeeper/defending player, cannot be replaced;
 - (b) The replacement for a suspended goalkeeper/defending player can only come from the five players of that team nominated to take part in the shoot-out competition:
 - (i) The replacement goalkeeper/defending player is allowed reasonable time to put on protective equipment similar to that which the goalkeeper/defending player she is replacing was wearing;
 - (ii) For taking her own shoot-out, this player is allowed reasonable time to take off her protective equipment to take her shoot-out and subsequently to put it on again;
 - (c) Any shoot-out (or penalty stroke) due to be taken by a suspended player counts as no goal; the shoot-outs taken by this player and scored before being suspended count as a goal.
16. If during a shoot-out competition, a defending goalkeeper/defending player is incapacitated;
 - (a) That goalkeeper/defending player may be replaced by another player that played in the Final, except as excluded in these rules or unless suspended by an umpire during the shoot-out competition;
 - (b) The replacement goalkeeper;
 - (i) Is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper / defending player was wearing;
 - (ii) If this replacement is also nominated to take a shoot-out, this player is allowed reasonable time to take off his protective equipment to take his shoot-out and subsequently to put it on again.

17. If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players who played in the Final, except as excluded above in point 2 or unless suspended by an umpire during the shoot-out competition.
18. If an equal number of goals are scored after each team has taken five shoot-outs;
 - (a) A second series of five shoot-outs is taken with the same players, subject to the conditions specified in this section;
 - (b) The sequence in which the attackers take the shoot-outs need not be the same as in the first series;
 - (c) The team whose player took the first shoot-out in a series defends the first shoot-out of the next series;
 - (d) When one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, not necessarily being all five shoot-outs, that team is the winner.
19. If an equal number of goals are scored after a second series of five shoot-outs, additional series of shoot-outs are taken with the same players subject to the conditions of these rules:
 - (a) The sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;
 - (b) The team which starts each shoot-out series alternates for each series.
20. Unless varied by this Shoot-out rule, the current FIH Rules of Hockey apply during a shoot-out.

Additional information for Grass Fixtures only

- BWA will organise designated Shoot-out Officials for the afternoon of all grass semis and finals to control any shoot-outs required.
- There will be a separate field allocated just for shoot-outs – all games that require shoot-outs will be conducted on the designated field.
- If multiple games require shoot-outs – each will be conducted on the designated field one after another until all are completed.
- All shoot-outs will be under the control of the 3 BWA Shoot-out officials plus the two match umpires. Noting - where possible non-playing umpires are to be used on all games so there is no delay in subsequent games if a game goes to shoot outs.
- The three (3) BWA Shoot-out officials will consist of a senior BWA tech official who will be in control of the shoot-outs and another technical officer + reserve umpire or 2 x reserve umpires.
